School News

Please make sure to keep your
child's lunch account up to
date. If you would like to put
restriction on it you may do so
by contacting the cafeteria.
Applications for FREE and
REDUCED lunches can be filled
out anytime during the year.
Questions? Feel free to contact
the main office during normal
business hours.

Did you know...

December is the last month in the Gregorian calendar. Its name is based on the Latin term for ten. In the Roman calendar, December was the tenth month until the addition of January and February at the beginning of the year. In the Northern Hemisphere December has the shortest daylight hours and marks the beginning of winter.
